

Your guide to applying for a

Primary school in Kent 2025

Reception year
for children born
between 1 September
2020 and 31 August 2021

Year 3 (Junior school)
for children born
between 1 September
2017 and 31 August 2018

Apply online the simple fast and secure way
kent.gov.uk/primaryadmissions

Contacts

The telephone number for **Kent County Council's Contact Centre: 03000 412121**, and they can put you through to the Primary Admissions Team or the Transport Team.

You can e-mail the Admissions Team at: primaryadmissions@kent.gov.uk

Admission for Children with Education Health and Care Plans (EHCPs)

The admissions arrangements for children with Education, Health and Care Plans are the responsibility of Kent County Council. For advice on the arrangements to admit your child into school, you should contact your local SEN Officer through your local Additional Educational Needs and Resources offices which are listed below:

East Kent (Canterbury, Thanet, Swale)

East Kent SEN Team, Brook House, Reeves Way, John Wilson Business Park, Chestfield, Whitstable, Kent CT5 3SS

Telephone: **03000 421160** Email: senadmingeneral@kent.gov.uk

South Kent (Ashford, Dover, Folkestone & Hythe)

South Kent SEN Team, Kroner House, Eurogate Business Park, Ashford, Kent TN24 8XU

Telephone: **03000 420889** Email: senadmingeneral@kent.gov.uk

North Kent (Dartford, Gravesham, Sevenoaks)

North Kent SEN Team, Joynes House, 1 - 4 New Road, Gravesend, Kent DA11 0AT

Telephone: **03000 419345** Email: senadmingeneral@kent.gov.uk

West Kent (Maidstone, Tunbridge Wells, Tonbridge and Malling)

West Kent SEN Team, Worrall House, 30 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4AE

Telephone: **03000 420997** Email: senadmingeneral@kent.gov.uk

Apply Online

Go to Kent Online Admissions

kent.gov.uk/primaryadmissions

A simple, fast and secure way to apply for a Primary school place in Kent. Opens on Tuesday 5 November 2024 and closes at midnight on Wednesday 15 January 2025.

At kent.gov.uk/primaryadmissions

you will see the following:

Primary school places

You must apply for a Primary school place if

- your child is due to start Primary or Infant school (Reception year),
- your child is at Infant school (year 2) and is due to start Junior school (year 3)
- your child is at Primary school (year 2) and you want your child to move to Junior school at the start of year 3.
- your child is at Infant school (year 2) and you want to apply for a year 3 place at a Primary school (rather than a Junior school) you must apply for an in year admission.

What to do

Choose a school	Apply	Accept or decline
<p>It's important to find out more about the schools you are interested in before you decide to name them on the application form.*</p> <p>You can name up to three schools. These can be anywhere in England.</p>	<p>A simple, fast, convenient process which opens Tuesday 5 November 2024 and closes at midnight on Wednesday 15 January 2025.</p> <p>You can apply at any time of the day. You will receive an email confirmation that your application has been submitted correctly and that the LA has received it.**</p> <p>You can log back in at any time to view that information entered is correct.</p>	<p>On offer day (Wednesday 16 April 2025) an email will be sent after 4pm informing you of your offer. ***</p> <p>You must accept or decline the school place you have been offered by Wednesday 30 April 2025.</p> <p>If it has not been possible to offer your child a place in your preferred school, you have the right to add their name to the waiting list and lodge an appeal.</p>

- Online support available - please email kentonlineadmissions@kent.gov.uk from the email address you used on the application (office hours are 9am-5pm Monday to Friday).

* Only one application per pupil will be accepted. If you apply online, do not complete any other form of application. Keep your log in details safe and use your registered email address for all communication with the team.

** The confirmation email may go to your junk/spam folder of your email - please check here before contacting our team for confirmation.

*** Some email providers can take an extended period of time to deliver the email. Kent County Council has no control over email delivery once the message has left our servers. If you did not provide an email address then you will be sent a letter which is posted first class on **Wednesday 16 April 2025**.

1. Key dates

Tuesday
5 November 2024

Online application process opens. Go to www.kent.gov.uk/primaryadmissions to register and apply.

Information about primary schools will be available from our website. School open days begin, and details can be found on each school's website.

Wednesday
15 January 2025

Online application process closes for the main round. Any amendments after this date must be emailed to kentonlineadmissions@kent.gov.uk.

Wednesday
16 April 2025

National Offer Day. Offers of school places sent to parents via email after 4pm.

By
Wednesday
30 April 2025

Parents should contact the school to accept/refuse the place that has been offered. Parents will also be given the opportunity to join the waiting list for schools named on the original application.

By Tuesday
20 May 2025

Appeals need to be lodged by this date to be heard before September - appeal information can be found at www.kent.gov.uk/schoolappeals.

You can only appeal for schools that were named on the RCAF or JCAF.

Thursday
22 May 2025

Offer day for the second round of applications (known as reallocation).

After this date waiting lists will be maintained by the schools and they will send out offers for any places that may become available.

Parents that have received an offer of a school place from KCC can approach schools directly for alternative places.

June to July 2025

Admissions appeals held.

September 2025

Children start school.

2. What is primary education?

Primary Education covers the age range 4 to 11 and includes the following types of school:

- Primary schools admit children aged from 4 to 11 years.
The year groups are from Reception year to year 6.
- Infant schools admit children aged from 4 to 6 years. The year groups are from Reception year to year 2. As Infant schools do not admit children for year 3 and above, parents of children in Infant schools will need to apply for a year 3 place at either a Junior or Primary school when their child reaches year 2 - See section 11 for more details.
- Junior schools admit children aged from 7 to 11 years. The year groups are from year 3 to year 6.

3. When can my child start school?

An academic year runs from September in one calendar year to August of the following calendar year. Children who are born between **1 September 2020** and **31 August 2021** will normally start school during the school year 2025 to 2026.

Parents do not legally have to send their child to school until the term in which their child reaches compulsory school age - the term after their 5th birthday. However, to give as many children as possible at least eight terms in infant education, all schools must provide for the admission of all children from September following their fourth birthday. For summer born children see [section 21, page 19](#).

4. Will starting school affect my child's entitlement to free Early Years education?

All 3 and 4 year olds in England are entitled to 15 hours of free Early Years education each week for 38 weeks of the year and this can be used at registered Day Nurseries, Nursery schools, Pre-schools and childminders. From September 2017, many families have been able to claim up to 30 hours per week.

If your child starts school on a part time basis and you would like to know if they will be entitled to receive/continue to receive any free entitlement for the remainder of the day, you should contact the Kent Children's Information Services on **03000 41 23 23** or email kentcfis@theeducationpeople.org or visit the website www.kent.gov.uk/cfis for further information.

5. I want to educate my child at home

If you wish to educate your child at home and the child has never attended school, you do not have to inform KCC, however it is good practice to do so.

If your child is attending school then you must put it in writing to the school that you wish to educate your child at home; the school have a statutory duty to inform KCC of your decision. Following receipt of your intention to home educate, a Support & Advice Officer from the Access to Education team will contact you to discuss the process and arrange a visit.

The team can be contacted on educationathome@kent.gov.uk, further information is available at www.kent.gov.uk/homeeducation.

6. Who is responsible for the admission arrangements of schools?

Every school in Kent has an admission authority which is responsible for its admission arrangements. The admissions arrangements contain details about how the applications to the school will be prioritised or ranked.

KCC is responsible for the admission arrangements for all the Community and Voluntary Controlled schools in Kent. For Voluntary Aided, Foundation and Free schools, the school's governing body and for Academies, the Academy Trust is the admissions authority responsible for admission arrangements.

You can see what type of school each school is in the 'Primary schools in Kent' section. Although some schools set their own admissions arrangements, KCC coordinates the admission process of all Primary schools in the County. This means that instead of applying separately to different schools, Kent parents apply to KCC naming up to three school preferences.

7. How many school places are available?

Intake numbers are reviewed each year to ensure that there are sufficient places available across Kent for the number of children expected to apply for places.

All admission authorities have to plan for the number of children they admit to their schools very carefully. The Published Admissions Number (PAN) noted on each school entry in the 'Primary schools in Kent' section will show you the number of children that the school planned to admit this year. However, since the 2021 Admissions Code was introduced, schools have been able to decide to increase this number before offers are made. This is known as offering in excess of PAN and schools can decide to do this as late as February each year. While schools can increase the number of places that they make available, they are not able to reduce the number during this timescale. As KCC will be unaware of many schools' intentions to offer in excess of PAN, it is not recorded in this book. Please contact schools you are interested in naming as preferences to see if they are intending to increase their intake number this year, if this will be important to your decision-making process.

Since September 2001, the law has said that an Infant class (Reception, year 1 and year 2) cannot have more than 30 children with one qualified teacher in a classroom. The teacher must be a fully qualified teacher and not a teaching assistant; schools therefore cannot admit above 30 children per class.

8. What are my chances of getting a place at my first preference school?

You will find the following information about last year's Offer Day at the end of each area section of 'Primary schools in Kent' for Community and Voluntary Controlled schools:

- Published Admissions Number (PAN) or number of spaces available in reception for Primary and Infant schools and year 3 for Junior schools. This will not indicate if a school is planning to offer in excess of PAN;
- Total number of applications that were received for each school last year (includes all 1st, 2nd and 3rd preferences and applications from children with an EHCP);
- Total number of offers, how many combined offers were made under the Looked After Children, sibling and health and special access criteria and the number of offers that were made under the school's distance criteria;

- Last distance that the lowest ranked child that was offered lived from the school in miles;
- That KCC is the admissions authority.

Please be aware, for Community and Voluntary Controlled schools, the distance of the last child offered (under the distance criterion) can change from year to year depending on the number of children that applied and where the children lived. Whilst you may live closer to the school than the distance given for the last child, it does not necessarily mean that your child would be offered a place this year.

You will find the following information for Voluntary Aided, Foundation, Free schools and Academies:

- Published Admissions Number (PAN) or number of spaces available in reception for Primary and Infant schools and year 3 for Junior schools. This will not indicate if a school is planning to offer in excess of PAN;
- Total number of applications that were received for each school last year (includes all 1st, 2nd and 3rd preferences and applications from children with an EHCP);
- Total number of offers made;
- Last distance that the lowest ranked child that was offered lived from the school in miles;

That the school is its own admissions authority.

As Voluntary Aided, Foundation, Free schools and Academies can have more complex over-subscription criteria, please contact them directly if you need help to work out which criteria your child is likely to qualify for or read their admissions criteria at [Admissions criteria 2025/25](#)

For Voluntary Aided, Foundation, Free schools and Academies you should take into account the criterion under which your child will be placed under and speak to the school for further information regarding distances from the school. The lowest ranked child that is offered may live closer than a child that is ranked against a higher criterion, so this distance information is for reference only. You can also ask the Headteacher at any school for information on how many siblings they think they may have coming to the school or any other information they feel would be useful.

Whilst you may find this information helpful, the school may not have a complete picture of who will apply and it does not guarantee your child a place.

Some third-party websites offer parents an indication of their chances of securing a school place. KCC does not validate the information on these websites and so parents should exercise caution when making decisions based on the data that they provide.

9. Primary Admissions outcomes last year

In September 2024 there were 16,681 reception aged children requesting places across Kent.

For admission to Reception Year, 98.71% of pupils got a place at one of the schools named as a preference with 91.34% getting an offer of a place at their first preference school.

For admission to Year 3 (Junior school), 99.84% of pupils got a place at one of the schools named as a preference with 99.74% of pupils getting an offer of a place at their first preference school.

10. How to apply for your child to start at an Infant or Primary school in Reception

When you know which schools you are interested in, you will need to make a Reception Common Application (RCAF) either using the online process available at www.kent.gov.uk/ola or by contacting kentonlineadmissions@kent.gov.uk for an alternative method. You should complete the application by naming up to three schools; putting them in order of preference with the one you would like most as first.

Only one application can be accepted per child and this application can be made by either a parent or guardian with parental responsibility for the child. If more than one application is received for a child, parents/guardians will be contacted and asked to agree in writing which application should be used. Where both parents retain parental responsibility for the child, it is not the role of the Local Authority to decide which application to use. Where agreement cannot be reached, both applications will be withdrawn, and the child will not be offered a place on **Wednesday 16 April 2025**.

Where a Court proceeding is sought to decide which parent's application should be used, the Admissions Team will require a full copy of any Court Order before any application will be accepted. Parents should be mindful of key deadlines when taking this approach as no extensions will be granted for any delays that may

arise.

Applications for Children in Care should be made by the assigned Social Worker of the Local Authority that is the Corporate Parent.

KCC collects admissions applications and related data items from parents in order to fulfil the legal obligations laid out in the School Standards and Framework Act (1998) and the current School Admission Code (2021). In order for Local Authorities (LA) to fulfil these duties, the Department for Education (DfE) defines what data each LA must collect, how it must be referred to and what limitations (if any) are placed on its collection. These requirements are available in the Common Basic Data Set, which can be found on www.gov.uk and include the following:

- Sex - A value which identifies the sex of a person as recognised in law
- Gender Identity - a person's inner concept of self as male, female, neither or a blend of both.

Under UK law children cannot obtain a Gender Recognition Certificate and therefore cannot change their legal sex.

LAs are required to collect a child's "sex" for the purposes of administering the admissions process. While the DfE have recently made some non-mandatory changes to the CBDS to offer an additional "Gender Identity" field, software companies who provide the admissions systems used by all local authorities have not yet made the necessary changes to reflect these options. It is unlikely that these changes will be made by software companies until the DfE makes them a mandatory requirement. KCC must therefore currently continue to seek confirmation of the child's "sex" using male or female as the only available options. Applicants should consider any reference to "gender" to be a request to confirm the child's "sex" as defined above. We would be unable to record any other response on each child's admissions record.

Where applications are made for gender questioning and non-binary gender pupils, parents are advised to discuss their application with their preferred schools to agree the most appropriate way to identify their child using the options that are currently available.

Even if you already have an older child at the school, you MUST apply for a place for your younger child. You will not automatically receive a place because you already have a sibling there.

When schools rank the children, they will not know if you have named their school 1st, 2nd or 3rd, they will simply rank the child against their over-subscription criteria. Naming only one preference does **NOT** guarantee your child a place at that school or give your child priority for a place over another child, neither does naming a school more than once. If you name a school multiple times, the duplicates will be deleted from your form, and you will have lost the opportunity of naming different preferences.

There is no requirement to name three preferences but failing to do so increases the likelihood of the local authority making an offer of a school some distance from your home, where local schools have been filled with children that used their full range of preferences.

Parents are advised to consider whether they intend to apply for transport assistance, when selecting their preferences, as they will be used when determining their child's eligibility. (See [section 25](#) for more information).

When applying online for school places, you will have to register with the website and create a user account, selecting your own password. The website will ask you to verify your account by clicking on the link provided in the email sent to the email address used to set up the account. This email is not an application.

Once registered, you can then make an application for school places either straight away or by logging back in at a later time, provided it is before the closing date.

An application is only valid if it has been submitted by the closing date (**Wednesday 15 January 2025**).

Once you have submitted your application (RCAF), you will be sent an email confirming that we have received it. Please check your spam/junk mail folders for this email before contacting the Online Team for confirmation.

If the application has not been submitted by a parent/ guardian, KCC will be unable to process it.

KCC will not take any responsibility in checking the content of an application.

It is the parents' /guardian's responsibility to ensure that:

- they are selecting the correct school for each preference;
- the application states if the child will have a sibling in the school or a linked school in September 2025 and must provide the sibling's full name and date of birth;
- they send any supporting evidence to the relevant

school if they would like to be considered under health and special access reasons (if applicable);

- they complete and return any Supplementary Information Form to the relevant school (see below).

Please contact the admissions team if your circumstances change significantly or you wish to change your application after it has been submitted.

The closing date for applications is **Wednesday 15 January 2025**.

If you require any help or assistance in applying online, contact the Online Admissions Team via email kentonlineadmissions@kent.gov.uk (emails will be replied to during work hours of 9-5 Monday to Friday).

If any of the schools you have expressed a preference for is an Academy, Voluntary Aided, Foundation or Free school you may also be asked to complete another form called a Supplementary Information Form (SIF). This form is used by the schools to rank your child against their over-subscription criteria.

You only need to fill in a SIF if you wish for your child to be considered against the over-subscription criteria the school is collecting information about.

Schools that may require a SIF will be identified in the school details pages. You should return this form to the school and not to KCC.

The SIF is not the official KCC application form and you must still complete an RCAF naming the school otherwise your child will not be considered for a place at that school.

If you have applied for an Infant School, please be aware that you will need to apply for your child to transfer to a Junior School (from Year 2 to Year 3). The application process will open in the November of your child's Year 2 school year.

11. I am applying for an Infant school. What happens when my child is due to transfer to Junior school?

Parents can only apply for Junior schools, as Primary schools will fill their year 3 places with their year 2 pupils. If you do not apply through this process, then your child **WILL NOT** have a place at the Junior school the following September as there is no automatic transfer between schools. Further information on how to apply can be found on [page 102](#).

If the Infant school your child attends is linked to a Junior school and you do not wish your child to go there you can name other Junior schools when completing the Junior Common Application Form (JCAF). Information on linked schools can be found on [page 104](#).

Parents can express a preference for up to three Junior schools.

If you do not wish your child to go to a Junior school and would rather apply for a Year 3 place at a Primary school, you must contact the school and complete an In Year Admissions Form or download one at www.kent.gov.uk/primaryadmissions.

12. What if I miss the closing date for applications?

KCC will be able to amend applications if asked to do so no later than **Friday 7 February 2025** with regard to house moves or changes of schools relating to house moves provided you have an exchange of contracts with completion date or a signed rental agreement for the new property. It will not be possible to submit these changes online. Parents should email kentonlineadmissions@kent.gov.uk with the details of their required amendment, ensuring that they use the email account they used to register. Unfortunately, it will not be possible to make any amendments beyond this date.

Whilst the closing date for KCC to receive applications is **Wednesday 15 January 2025**, applications that are submitted no later than **Friday 7 February 2025** for a good reason will be treated as “on time” if it is reasonably practicable to accept them. These applications must be received no later than **Friday 7 February 2025**.

Applications received after **Friday 7 February 2025** but before **Wednesday 30 April 2025** will not receive a school offer on **Wednesday 16 April 2025**. KCC will consider these reallocation applications with applicants that have joined a school’s waiting list on the reallocation date of **Thursday 22 May 2025**. If none of the schools you have expressed a preference for on a reallocation application can be offered to you, KCC will offer you an alternative school. We will also advise you on your right to appeal against this decision and place you on the waiting list of any schools you named that were a higher preference than the school you were offered. After **Thursday 22 May 2025** you can request to go on any school’s waiting list and if places become available, schools will offer directly to parents. KCC will not make any further offers.

Applications made after **Thursday 22 May 2025** should be made directly to the school.

Parents who have already received an offer of a school place from KCC should apply using an In Year Application Form (IYAF) available at www.kent.gov.uk/primaryadmissions. These applications will be treated in a similar way to In Year Applications (details on [page 22](#)). This should result in an offer without delay, where spaces are available.

Parents who are applying to Kent for the first time should use a Post Reallocation Common Application Form (PRCAF). These applicants should submit this form to KCC who will support parents to ensure a school offer is made. Parents should go to kent.gov.uk/primaryadmissions closer to the time for more information.

13. Help for Children with Additional/ Special Educational Needs/Education, Health and Care Plan

Education and Children’s Social Services, together with Health Care Professionals work jointly to identify and support children with additional and special educational needs as early as possible. This means pupils may have been identified as having additional/special educational needs before they enter school.

My child has Additional/Special Educational Needs. How do I apply for Primary school places?

In most cases you should apply for a Primary school place using the process explained in this book. However if your child has an Education Health & Care Plan (EHCP) or will have one by **Wednesday 15 January 2025**, then you should be in contact with your local SEN Office ([see page 2](#)) as the process you will need to use for a Primary school place will be different.

If your child is going through statutory assessment you should not assume an EHCP will be issued at the end of that assessment period. You should therefore apply for a school place at Primary school as described in this book. If you fail to do so and your child does not receive an EHCP you may not get a place at a school of your preference as all the places may be filled.

Do all Primary schools provide support for children with Additional/Special Educational Needs?

Yes, schools provide a broad and balanced curriculum and supportive framework to enable most children with additional/special educational needs to be included in mainstream schools. You will find in every school’s individual prospectus a statement on how they support pupils with additional and special educational needs.

What support will my child receive when starting school?

When you know where your child will be going to school you should discuss your child's needs with the Headteacher or SENCO. This will help the school determine how they can best support your child.

My child does not have additional/special educational needs, but does need extra help when at school. How do I get this for my child?

Many children require additional help either in specific subject areas, or socially/emotionally at some point in their school career, and these needs are identified through the monitoring of children's progress at school. If you have concerns about your child's needs, please discuss these with the school. In the same way, the school will discuss with you any concerns it has about your child's progress.

Information, Advice and Support Kent (IASK)

IASK offers confidential and impartial, information, advice and support for parents/guardians* of children with special educational needs or disability and the same service is offered to children** and young people*** who have special educational needs or disability.

Information, Advice and Support Kent has an experienced team available to listen and discuss any issues parents may have around their child's education. Working at arm's length to the authority IASK aims to empower parents/ guardians, children and young people to fully participate in discussions and make informed choices.

* provide face to face support at a time that is mutually convenient

** children 0-16 compulsory school age

*** young people 16-25

IASK can:

- be available and accessible to answer questions via a telephone helpline or in the local community;
- provide face to face support at a time that is mutually convenient;
- offer time to discuss issues in depth and explore options;
- support at meetings with school and/or the Local Authority;
- provide information about other agencies and processes;
- help parents to communicate their views or concerns;
- help prepare paperwork;
- help with queries about the education system;
- provide information about social care and short

breaks;

- provide information about appeals to SEND Tribunal and support to attend mediation;
- provide a range of information leaflets about education processes (available in other languages on request).

How to contact IASK

Telephone Helpline: **03000 413000**

Email: iask@kent.gov.uk

The Helpline is open Monday to Friday 9am-5pm (answerphone and email are available 24 hours). Or visit the IASK team at a local drop-in (ring the helpline or check online for dates and venues).

Website: www.kent.gov.uk/iask

The office site provides disabled access and facilities at:

Shepway
Centre
Oxford Road
Maidstone
ME15 8AW
Office Tel: **03000 412412**

14. How will places be offered?

KCC will make sure every child in Kent who has submitted a KCC Primary Common Application Form (RCAP) gets ONE offer.

The Primary Admission scheme is an Equal Preference Scheme, which means that all of the schools you express a preference for will consider your child for a place. The schools will not take into account whether you have placed them as a 1st, 2nd or 3rd preference as KCC does not provide them with this information. Every child who applies on time will be sent an offer of a school on **Wednesday 16 April 2025**.

You can name up to three Infant or Primary schools on a RCAP. You should put the school that you would like most first. You do not receive a higher priority for a place at a school because you have named it as your first or only preference or named it more than once.

In February, after data checks have been completed, KCC will send a list to each school detailing children who have applied for a place at their school. The list will contain the child's name, date of birth, their address, a parent's name, the straight-line distance (as provided by KCC's measuring software) between the home and the school and any comments that the

applicant has placed on the form as to why they wish to be considered for a place at that particular school.

All schools have an over-subscription criteria which are a set of rules used when they receive more applications than places available. Schools then place applications into criteria which then generates a priority order. Schools will only take into account any reasons that parents may have provided if it relates to the schools' criteria.

For Community and Voluntary Controlled schools, the over-subscription criteria is detailed below.

As Academies, Voluntary Aided, Foundation and Free schools are their own admissions authority, their admissions criteria may be different from the Community and Voluntary Controlled schools. You can find the schools' criteria at www.kent.gov.uk/admissionscriteria in the 'Admissions criteria 2025/26' section or directly from the schools website. It is important to look carefully at these criteria as it will help you determine which criterion your application may be ranked under.

Please note: where a school fails to provide a description of their over-subscription criteria, KCC's over-subscription criteria will be used.

Once the schools have determined an order of priority for the applications, KCC will use a computer program that will finalise offers.

If only one of the three schools can offer your child a place, then KCC will offer you a place at that school. If more than one of your three preferred schools could offer your child a place, KCC will offer a place at the school you named highest on your application. The lower preference school(s) will then be offered to another child. If none of your preferred schools can offer you a place because there were other children who were given a higher priority for the place(s) than your child when the over-subscription criteria was applied, KCC will allocate an alternative school that has available places. Where the application is for Junior transfer, this alternative place may be in a Junior school or a Primary school.

Whilst this school may not be one of your preferences, KCC has a legal obligation to offer every child a school place. KCC will try to make this the nearest school to your home with available places. This school may be some distance from your home as KCC can only offer a place at a school that has spaces remaining once all other applications have been considered. The allocation that is made will not take into account any of your child's individual circumstances or your preferences for a particular

type of school e.g.

a church school, size of school, childcare facilities or travelling arrangements.

The criteria for Community and Voluntary Controlled schools (with the exception of St Peters CE Primary School, Tunbury Primary School and Whitfield Aspen Primary School) are:

- children in Local Authority care or previously in Local Authority care;
- attendance at a linked school (only relevant to infant and Junior schools where they are linked - See table on [page 103](#) for details);
- current family association (sibling);
- health, social and special access reasons;
- nearness of children's homes to school.

The criteria for St Peters CE Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- health, social and special access reasons;
- children who live in the unparished area of Tunbridge Wells (map available at kent.gov.uk/primaryadmissions);

nearness of children's homes to school.

The criteria for Tunbury Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- children who live within a 0.5 mile radius of the school;
- children who live in the Parish of Aylesford or Boxley and who are also within a 1.5 mile radius of the school (map available at kent.gov.uk/primaryadmissions);
- health, social and special access reasons;
- nearness of children's homes to school.

The criteria for Whitfield Aspen Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- health, social and special access reasons;
- nearness of children's homes to nearest of Mayfield Road or Archers Court Road site.

When ranking children, schools **WILL NOT TAKE** into account:

- how long your child’s name has been registered at a school;
- if your child attends a nursery class on the school site or if the nursery is affiliated with the school (unless this is a published aspect of a school’s admission arrangements);
- if the nursery takes children into the school or classrooms for any social activities or the child knows the teachers through visiting the school;
- if your child attends a playgroup or preschool nearby or on the school site;
- any previous association you or your extended family may have had with the school either by attending it or by participating with any of the school’s activities;
- how long you may have lived in the area or a parent’s intention of moving into the area in the future;
- a parent’s particular reason for expressing a preference for the school, for example the presence of breakfast or after school clubs, activity clubs for sports or music, if any of the child’s friends will be going to the school, unless it is a published aspect of that school’s over-subscription criteria;
- any plans regarding childcare arrangements that you may make for a particular school.

15. What do these criteria mean?

Children in Local Authority care or previously in Local Authority care

A child in Local Authority care or previously in Local Authority care is a child who is either in the care of the Local Authority or is being provided with accommodation by a Local Authority in the exercise of their social services functions under Section 22(1) of the Children Act 1989 or a child who ceased to be so because they became subject to an adoption, child arrangement order, or special guardianship order.

An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A child arrangement order is an order settling the arrangements to be made to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian/guardians.

A previously looked after child means such children who were adopted but immediately after being looked after became subject to an adoption, child arrangements, or

special guardianship order including those who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

If you apply under this criterion, you will need to provide evidence to the Primary Admissions team to show that your child qualifies. When online, please send copies of your evidence separately to primaryadmissions@kent.gov.uk including your child’s name, date of birth and home address. If you do not supply evidence, it will not be possible to process your application under this criterion.

Attendance at a linked school

This is where there is a link (used for admissions purposes) between a particular Infant school and a particular Junior school. Children who are attending the Infant school are given priority for admission to the relevant Junior school. A list of linked Infant and Junior schools can be found on [page 103](#).

Current family association

A current family association means that the child who is applying for a place will have a brother or sister (sibling) attending the same school when they start there, and they live at the same address. KCC count linked Infant and Junior schools as one school. Brothers and sisters means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters.

The sibling claim will stand if the family have continued to live at the same house as when the older sibling was admitted into the school or, if:

- the family have moved, and they have moved to within 2 miles of the school;
- if the family have moved nearer to the school from where they were living previously.

If siblings from multiple births (e.g. twins, triplets etc) apply for a school and the school reaches its published admission number after admitting one or more, (but not all) of the children, KCC will offer a place at that school to all of the multiple birth siblings. This is in line with the School Admissions Code and if doing so will take the school above its published admission number and possibly result in breaching class size legislation, the children are to be treated as ‘excepted’ pupils.

Whilst linked Infant and Junior schools are considered to be the same school for this criterion, if sibling priority has previously been lost (as above), it will not be reinstated when a child transfers from an Infant school to the linked Junior school.

Where a child is transferring from year 2 and would not be attending the Infant school from the start of the academic year, but applied for the linked Junior school, the sibling link would not be broken for a child applying for the Infant school.

If your child secures an offer of a place at the school on **Wednesday 16 April 2025**, sibling priority will apply to any of their siblings that apply for a place through the In Year process or who are on the school's waiting list up to the start of the September 2025 term, even though the offered child will not have started school yet.

A sibling link is broken when:

- Unfortunately, if your older sibling is currently attending school in Year 6, you cannot claim a sibling link for your younger child, as the older sibling will be transferring to secondary school in September 2025.
- You have moved, further than 2 miles from the school, than the address that the sibling was admitted to the school with.
- Once a sibling link has been broken, sibling priority will be permanently lost for that child regardless of any further address moves a family may make in the future.

Health, social and special access reasons (medical)
Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority under health and special access reasons will be given to those children whose mental or physical impairment or social need means they have a demonstrable and significant need to attend a **particular school**.

Equally, this priority will apply to children whose parent's/ guardian's physical or mental health or social needs means that they have a demonstrable and significant need for their child to attend a **particular school**.

In most circumstances, an applicant should only apply for a single school under this criterion. Placing the same evidence for more than one of your preferred schools will only establish that more than one school can accommodate your child's needs. If you feel your

circumstances support applying for more than one school, please discuss it with the Primary Admissions team, who can also provide any other advice required by parents who wish to apply under this criterion.

Please note that social needs does not include your intended or current childcare arrangements.

All claims will need to be supported by written evidence from a suitably qualified medical or other practitioner. This should demonstrate a special connection between these needs and the particular school that parents feel can accommodate these needs.

This must be sent directly to the school before **Wednesday 15 January 2025** for the school to consider the evidence. Without this evidence when schools are ranking children in accordance with their over-subscription criteria, they cannot take your needs into account.

Nearness of children's homes to the school
For many applications, this last criterion is the most important one, as those children who are living nearer to the school usually get a higher priority for places than children who live further away. It is therefore very important that when you complete your RCAF/JCAF, you give us your correct address for admissions purposes as in [Section 16](#).

You can find more information about what address you should use in the next section.

Maps and internet based measuring tools will give you an indication of the distance from your address to a school, however, this is only an indication. The distance provided by KCC's measuring software will be used for all applications to ensure they are treated in a consistent manner. KCC's measuring software is updated each year with the latest address point data provided by the National Land and Property Gazetteer (NLPG). Where applications are made from new build properties that are not registered to the NLPG, KCC may be required to temporarily use planning co-ordinates.

The address point reference we have for your property is taken as one end of a straight line, with the address point reference for the school as the other. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled schools, these straight line measurements are used to determine how close each child's address is to the school.

KCC does not specify where the point will be for each property. This means that address points are not necessarily taken from each property's front door, a central point or any other defined point. The address point is the location recorded in our software for your home and it may fall anywhere within your property boundary.

A block of flats has a single address point reference, so applicants living in the same block will be regarded as living the same distance away from a school. In the unlikely event that two or more children have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

Where a new build housing development requires a new school or the significant enlargement of an existing school the 'nearness' of schools criterion may allow for a catchment area (defined by a map) to be created for the relevant school. This must be included in the Statutory Public Notice, admissions determination and will be valid for a period not exceeding three rounds of admissions. Parents should contact schools to enquire if a catchment area has been defined.

The distance in relation and Ramsgate Arts Primary School (DfE 2064) are used differently in their Admissions Criteria. Please contact the schools directly to discuss how they use the distances provided.

16. What address should I use on my application?

A child's home address is defined as a residential property that is the child's main or only residence. It must be the residence of both the parent/guardian and the child on **Wednesday 15 January 2025**, the deadline for submitting your application. If you apply before the closing date, you must ensure you will still be living at that address on the closing date.

The property should be either owned by the child's parent or guardian, or leased/rented under a formal written lease/rental agreement of no less than 12 months' duration. If your circumstances mean that it is not possible to secure a 12 month lease/rental agreement contact the Admissions team for further assistance: primaryadmissions@kent.gov.uk.

KCC reserves the right to check information that parents give on their child's application form. When you receive the offer of a school place from KCC, you will be asked to provide the school with evidence that you and your child live at the address used on the application.

This evidence can be, for example, a utility bill, bank or credit card statement, Council tax bill or any other formal documents that would show you were living at your address at the closing date for applications. The evidence you supply should be dated within the application window of **Tuesday 5 November 2024 - Friday 7 February 2025**.

You must also provide the school with evidence to show your child was also living at this address at the same time. This evidence could be, for example, a bank statement in the name of the child, a hospital or doctor's appointment letter or formal document. This is not an exhaustive list and the school, or Local Authority reserves the right to request further documentation if it considers the evidence provided insufficient to prove that you were living at the application address.

Parents should also be aware that schools may wish to collect their own information when you return your address evidence and may request to see additional documentation such as a child's short form birth certificate. It is also likely that schools will ask you to complete their own induction documentation.

If you do not provide address evidence, or if you provide insufficient evidence to confirm your address, the offer may be withdrawn. The vacant place would then be offered to the child who had been disadvantaged on **Wednesday 16 April 2025** and was effectively displaced by your application at that time.

Where your living arrangements are more complex, it is important that you use the main address your child lives at when applying for a school place. If you use an address that is later found to be incorrect for the admissions process, your school offer may be withdrawn even if you can evidence that you own or had access to that property.

It can take an extended period of time to complete investigations into misleading applications and parents may find that they have missed deadlines to join school waiting lists or appeal once their offer has been withdrawn. KCC does not provide a timescale by which these investigations will be completed and school places can be withdrawn as late as the end of the first term, even if the child has already started school. Parents will be responsible for finding another school place in the event that their school offer is withdrawn.

Please find below some examples of situations that will require you to determine which address to use. If your specific situation is not listed below, or you are unsure on which address you should be using, you should contact the Primary Admissions team for further assistance by emailing primaryadmissions@kent.gov.uk.

Shared residency

KCC can only accept one address on the RCAF/JCAF and if your child lives at two different addresses during the week because of joint residency or another formal living arrangement, we will regard the child's home address as the one at which they sleep for the majority of school nights (Sunday to Thursday) in the first academic year.

KCC will use community school term dates to calculate this split, excluding school holidays. In the unlikely event that a child spends an equal number of days at both addresses, KCC will use the address that is closest to the school that is named as the child's first preference.

In no other circumstance should an address be used simply because it is closer to a school of your preference.

You should not use any other address at which your child may stay during the school week such as at a friend's, grandparent's or child minder's home.

Where parents are seeking agreement on their child's application through the courts, it would be helpful to ensure any related court order makes clear which parent has the overall right to apply and where necessary, which preferences can be named. A court order cannot vary KCC's prescribed address requirements, nor can it compel a school to offer a place outside of the co-ordinated admissions process. This means a court decision is limited to what school preferences an application can include, not which school will ultimately offer a child a place.

KCC admissions team are not able to resolve parental disputes and we would expect both parties to come to a sensible agreement. If no agreement is reached neither application for the child can be processed.

Address proof will be required for the address used on the application after offers are made. If the address proof for both the applicant and the child is not sufficient then the school offer may be withdrawn.

If you are unsure which address to use if your child does stay at two addresses, please contact the Admissions team for advice at primaryadmissions@kent.gov.uk.

Multiple property ownership

Depending on your circumstances, there is a possibility that you own, rent or have access to a property closer to a school that you're interested in, but live at a property that you own, rent or have access to elsewhere. Please be aware that you should not use the closer address unless you and your child are actually living in it and it is your main residence as defined above.

Examples of cases that will be fully investigated and are likely to result in offers being withdrawn:

- Renting a property close to a popular school but retaining access to another property.
- Living with a relative but retaining access to another property.
- Moving to a property close to a popular school and then moving out of the area shortly after offers have been made.

Temporary address

You should not use an address that has been rented, moved into or lived in on a short term basis in addition to your regular 'home' because of temporary personal circumstances, such as, works being carried out to the main family residence, or living temporarily with family or friends at another home. If your circumstances have meant you have had no choice but to temporarily move to or remain living in another property, you should inform the Primary Admissions team, by emailing primaryadmissions@kent.gov.uk when you apply. Your email should advise them of the reasons why and provide evidence to support your circumstances. The team will advise you which address you should use, but in most circumstances it will be the address that you will be living in at the point your child starts school.

Home move

Parents should be aware that moving during the application window will likely complicate your admissions process and, in many circumstances, significantly reduces your chances of securing a place at a school of your preference. Parents are therefore advised to pay special attention to key dates in the admissions process and wherever possible, organise your affairs to ensure address changes are made within admission's deadlines. It is understood that this is not always possible, however, KCC has no discretionary authority to vary the process for parents who cannot complete address moves in time to make use of them for admissions purposes.

If you are thinking of moving but have not yet seen a property to rent or buy, then you should complete a RCAF or JCAF using your current address. You should then decide if you wish to use some of your available school preferences to apply for schools in the area you wish to move to. If you name schools that are in the area that you wish to move to, but you are not living there, there is an increased likelihood that you would not receive an

offer at one of those schools as places could be offered to applicants that live nearer. You should therefore consider using some of your preferences to name schools near your current address. You will have a higher chance of securing a school near to your current address, which will offer some security in case your move falls through.

The closing date for applications is **Wednesday 15 January 2025**, however if you are moving during the admissions application window, we will be able to amend your application to reflect your new address if this is received no later than **Friday 7 February 2025**. **All parents must therefore inform the Primary Admissions team if their home address changes between Wednesday 15 January 2025 and Friday 7 February 2025.**

We would advise you to initially apply from your current address in case your move falls through. Once you have the appropriate documentation confirming an exchange of contracts with a completion date or signed rental agreement/lease, send it to the Admissions team on kentonlineadmissions@kent.gov.uk and we will amend your application to reflect your new address.

In most circumstances, it would be expected that you would move in before the offer day on **Wednesday 16 April 2025**. If you are submitting a reallocation application, the expectation is that you would move into the property by reallocation day, **Thursday 22 May 2025**. If you have purchased a new build property, this deadline can be extended until **Friday 30 August 2025** as a reflection of the fact that completion dates can change unexpectedly. This provision will only apply where houses are being built as part of a large scale development, not a personal project undertaken by an individual.

If you are not resident in the property by these dates, the offer of a school place may be withdrawn, so it is imperative you inform the Admissions team if you think you are unlikely to be living in the address by that time.

If you are moving due to a house exchange or renting a property from a Housing Association or private landlord, the letter that you receive confirming the date you can move in and your agreement to rent that property will be considered as proof of moving. KCC cannot accept a letter offering a property for you to view as proof of moving.

If you do not exchange contracts with a completion date or have a signed rental agreement/lease until after **Friday 7 February 2025**, KCC will not be able to make any amendments to your application, but will use your new address for correspondence purposes. Please be aware of this deadline as no exceptions will be allowed under any circumstances.

Any residential move which takes place between the closing date for applications and the end of the first school term may be investigated to establish if a parent has misrepresented their living arrangements for the purpose of securing a school place outside of the family's intended residential area. If the Admission Authority consider this to be the case it may consider the application at the time to have been misleading and may withdraw the school place even after the child has started at school.

Armed Forces/Crown Servants

If you are a member of His Majesty's Armed Forces or a Crown Servant and are being posted back to the UK, you may use a UK address that you own or name a HM Forces Station/Base as a home address even though you may not be resident at the time of application. KCC must also receive an official government letter (e.g. MOD, FCDO or GCHQ) declaring a relocation date and confirming the intended address. The law allows for KCC to use this address as your family's main residence even though you may not be resident at the address or even in the country. However, it does not guarantee you a place at your preferred schools. For further information, please contact the Primary Admissions team.

17. I live in Kent. Can I apply for a school outside Kent?

If you would like your child to attend a school outside of Kent e.g. in the Medway, East Sussex, Surrey, Bexley areas, then you should complete the Kent RCAF/JCAF naming the school with your other preferences. You can name a mixture of Kent schools and schools outside the county or just name schools outside the county. Your application details and non-Kent preferences will be passed onto to the relevant local authority for processing. The offer of a school place, whether it is a Kent school or a school outside the county, will be sent to you by KCC as this is your local authority.

18. I live outside Kent. Can my child be considered for a Kent school?

Your child will be considered for admission on the same basis as those living in Kent provided you name the school on your home authority's application form. Your home authority will pass the information relating to the Kent preferences to KCC for processing. It may or may not be possible to offer you a place at your preferred Kent school, however your offer will be sent by your home authority.

What to do if you are not in England:

While the DfE have indicated that local authorities have the option to accept applications from families who are not currently in the England, it is still necessary for all applicants to fulfil the address requirements outlined in [section 16](#).

This ensures that pupils currently resident in Kent and those intending to return are treated in a consistent manner.

As some families own or are able to access more than one property, KCC's admissions process is clear on what can be considered a child's address from an admissions perspective. These requirements ensure that applications can only be made from a single address so that families are not able to undermine the key principle of the co-ordinated admissions process, which is to ensure a child cannot be offered a place at more than one school to the detriment of other applicants. Where an address does not meet these requirements it cannot be considered for admissions purposes, which may limit KCC's ability to process a related application.

It is understood it is not always possible to arrange home moves to align with the school admissions process, however, it is similarly not possible to remove any negative impact a family may face if they are not able to use a preferred address as a result. This effect is felt equally by parents moving within the England or even within an LA's boundaries during the admissions timeframe, so parents moving back to England are not being treated any less favourably than others in similar circumstances.

The School Admissions Code provides additional provisions for families of Crown Servants and Her Majesty's Armed Forces which are detailed on [page 18](#).

19. When will I hear if my child has been offered a place?

KCC will inform parents about offers of school places on **Wednesday 16 April 2025**. Parents that have provided an email address will be sent an email offer after 4pm. All other applicants will be sent a letter posted first class on this day.

Some email providers may delay delivering the messages to account holders - parents should check their spam/junk mail folders before contacting the Online Admissions Team. KCC has no control over email delivery times once they have left our servers. All online applicants can also log back on to their online applications after 5pm and view their school offer.

PLEASE ensure that you carefully read all of the email/letter as this will provide you with additional information on what to do next. It will provide you with an opportunity to either accept or refuse the place offered to you, how to request that your child's name is placed on the waiting list for any school you named on your RCAF/JCAF but were not offered, and it will provide information on how to appeal against the decision to

refuse your child a place at the school.

20. Can my child start full time?

While schools are free to propose phased induction timetables for new students, they cannot be enforced if a parent's preference is for their child to start full-time at the start of the September term. Similarly, where parents wish for their child to start on a part-time basis, schools are legally required to support these requests until a child reaches compulsory school age. A child reaches compulsory school age on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are **31 December, 31 March, and 31 August**.

21. Can I defer my child's entry into school and if so, for how long?

You have the right to delay your child's start date (known as deferred entry), until later in the school year, but not beyond the beginning of the term after they turn five and not beyond the beginning of the final term of the school year in April.

Your child may also start part-time until later in the school year, but not beyond the beginning of the term after they turn five.

If you plan to defer your child's start date until later in the school year, you must still apply at the usual time for Primary or Infant school places. You should also speak to the schools you are applying for, to discuss how you would like your child to be admitted.

Summer-born children

Children born between 1 April and 31 August are sometimes referred to as summer born children. They have the same right to defer entry as any other child. This means they must start school at the beginning of the April term if they wish to keep their offer. Summer born children are not legally required to attend school until the start of year 1. Where parents wish for their summer born child to defer entry until the start of year 1, they must refuse their offered place, which may be offered to a different child, and then reapply through the In Year process during the last month of Reception year.

Parents of summer born children also have the right to request that their child be allowed to apply for admission to Reception the following school year. To do this, they will need to gain agreement from the admissions authority of each school they wish to apply for.

To request admission to Reception year outside of the normal age group, you should contact the Head teacher of

each preferred school as early as possible during the normal application period for that child's date of birth. This will allow the school and admissions authority enough time to make a decision before the closing date. You are required to complete an application for the normal point of entry at the same time, in case your request is declined.

This application can be cancelled if the school's admissions authority agrees to accept your request for deferred entry into reception year the following year.

You are not expected to provide evidence to support your request to defer your application, but where provided, it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, but failure to provide it may impede a school's ability to agree to defer admission. The Department for Education have confirmed that they don't anticipate that, as a general rule, children will need to delay their admission to school or be educated out of their age group, purely as a consequence of the Covid-19 outbreak.

Where admission authorities agree to allow a child to apply for a Reception place the following year, parents must complete a single application through our alternative method and submit it to the local authority in the next application window. The written confirmation from each named school will need to be emailed to the team.

Deferred applications will be processed in the same way as all applications in the following admissions round, and offers will be made in accordance with each school's over subscription criteria. If none of your preferred schools can offer you a place as they receive more applications than places and other children have a higher priority, you will not be guaranteed a Reception place in an alternative school, although KCC will attempt to do so wherever possible.

The Department of Education have advised Local Authorities that they no longer intend to change legislation to provide parents with the right to decide which year their Summer born pupil starts school. As such, the need to request as outlined above will remain a requirement and parents of pupils who are taught out of year group will have to complete a similar process when their child transfers to Secondary school, or to Junior school where they currently attend an Infant school. While guidance advises schools to consider a child's current year group when deciding whether to

accept an application out of year group, there are no legal guarantees that a Secondary or Junior school of your preference will agree to your request. Parents should consider this potential possibility carefully before deciding whether to request admission outside the normal point of entry at Reception year.

22. Why wouldn't my child get a place?

A school will rank all the children who have applied for a place according to its over-subscription criteria. If there are more children than the number of school places available, then the children who are ranked highest are offered places until the school reaches its intake or published admissions number. Ranking children against the school's over-subscription criteria ensures that the places are offered in a fair way as every child is compared against the same criteria. Inevitably, there will be some children who do not secure a place in oversubscribed schools.

If you have applied for a school outside of your own local area, please be aware that the further you are living from the school, the less likely you are to receive an offer of a place. It is recommended that you also name a school near to your home just in case your highest preference schools are unavailable.

23. When will I hear if my child has been offered a place from the waiting list?

The offer email that will be sent to parents on **Wednesday 16 April 2025** will also contain information on Waiting Lists and how to Acceptance or Refuse the place. KCC will place you on the waiting list for any higher preference schools than that in which you were offered. Requests to join the waiting list for any lower preference schools must be submitted to KCC's Admissions team by **Wednesday 30 April 2025**. Further information will be included in your offer email. Please note that at this stage, you can only join the waiting lists for schools that you named on your original application.

While KCC will allow you to join the waiting list for a school you named as a lower preference than the school you have been offered, some other Local Authority's admissions processes do not allow this and instead limit waiting list requests to higher preference schools only. Please contact the Local Authority of the lower preference school whose waiting list you wish to join, to check if they will allow this. In all circumstances, please contact KCC to make a waiting list request. Do not make waiting list requests directly with an out of county school or directly to another Local Authority.

You should inform the school whether you wish to accept or refuse the offer by **Wednesday 30 April 2025**. KCC will be informed by schools which parents are accepting or refusing the places that have been offered to them. Any places that become available will then be offered to late applicants and applicants on waiting lists on the reallocation date of **Thursday 22 May 2025**.

Parents that have provided an email address will be sent an email offer after 4pm. All other applicants will be sent a letter posted first class on this day.

After **Thursday 22 May 2025** schools will take ownership of their waiting lists for the remainder of the reallocation period and will make offers to children should any places become available. They will inform KCC whenever an offer is made. Parents must not have more than one offer of a school place and must inform schools in writing that they do not want a previous offer if accepting a new offer.

24. Appeals

If it has not been possible to offer your child a place at your named preferred schools, you have the right to appeal against this to an Independent Appeal Panel. KCC will receive appeals for Community and Voluntary Controlled schools. Foundation and Voluntary Aided schools, Academies and Free schools, hear their own appeals, so will need to be contacted directly.

Appeals must be lodged by **Tuesday 20 May 2025**. More information on appeals can be found at www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions team after National Offer Day **Wednesday 16 April 2025**.

Appeals can be made online at www.kent.gov.uk/schoolappeals.

Appeals for Academies, Free, Foundation or Voluntary Aided schools should be lodged to: The Clerk of the Governors c/o the school (school address information is provided in each school section).

You should check with Academies, Free, Foundation and Voluntary Aided schools before appealing as they may use their own forms.

Primary Appeals can only be upheld in very limited circumstances. The law requires that an infant (ie a child in Reception Year, Year 1 or Year 2) should not be educated in a class which has more than 30 children per qualified

teacher, so most appeals for admission to Reception at a Primary or Infant school will be 'Infant Class Size Appeals'.

As grounds for upholding an appeal of this type are very limited, the success rate is low, so parents will want to weigh the effort involved against their chance of success before embarking on an appeal.

By law, an Independent Appeal Panel hearing an Infant Class Size appeal must consider the following matters:

- a) whether the admission of an additional child/additional children would breach the infant class limit; AND
- b) whether the admission arrangements (including the area's co-ordinated admission arrangements) complied with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998; AND
- c) whether the admission arrangements were correctly and impartially applied in the case(s) in question; AND
- d) whether the decision to refuse admission was one which a reasonable admission authority would have made in the circumstances of the case.

Put more simply, as well as checking whether giving another child a place will break the law, panels need to look at whether the admission arrangements for that school were legal, whether they were applied properly and whether in the circumstances it was reasonable not to offer your child a place.

A Panel may only uphold the appeal where:

- a) it finds that the admission of additional children would not breach the infant class size limit; OR
- b) it finds that the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; OR
- c) where it decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Because of this framework, parents' personal reasons for wanting the school cannot be taken into account, so even if you feel very strongly that your child should have a place, you need to consider whether your appeal fits these grounds.

If you think the law has not been followed you should contact the admissions team before appealing, so that a thorough investigation can be carried out. If

it is clear that a school's admission arrangements did not comply with the law or were not correctly and impartially applied, the local authority, in conjunction with the admission authority may offer places without an appeal hearing.

If you think the decision to refuse your child a place was not reasonable, check first why the place could not be offered.

To agree an appeal on these grounds a panel must be satisfied that the decision to refuse to admit the child was 'perverse in the light of the admission arrangements' i.e. it was 'beyond the range of responses open to a reasonable decision maker' or 'a decision which is so outrageous in its defiance or logic of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it'. This is highly unlikely to be the case if the admissions arrangements were lawful and correctly and impartially applied.

It is likely a panel would consider it entirely reasonable for a child to be refused a place at their nearest school, if other children had greater eligibility for the places available, even if this results in you being offered a school some distance from your home.

PLEASE BE AWARE that neither schools nor the Local Authority keep places available for children whose appeals are upheld - they will be admitted above the school's published admissions number as an excepted pupil.

25. In Year Admissions

Applications for a place in a different year group, or to start at a different time are called In Year Admissions.

In Year applications for Kent school places should be made direct to schools, using a separate copy of KCC's In Year Application Form (IYAF) for each child and each school applied for.

Kent schools will let you know whether they can offer a place and will inform KCC about the application and whether an offer has been made.

Schools will be expected to tell parents within 10 school days of receiving the application whether they can offer a place.

If a child has secured a place at a school through the coordinated admissions process, but has yet to start, they would still be considered as being on roll when a school assesses their sibling's applications against the school's over-subscription criteria.

If a school you apply for cannot offer you a place, you will be told how to appeal and how to put your child's name on the school's waiting list.

Parents of Kent pupils who have applied to schools but have been unable to secure a place can contact KCC, who will inform them of schools near to them which may have places. Parents should approach schools directly to allow them to secure a place as quickly as possible. If parents need any support in securing an offer with these schools, please contact the Kent In Year Admissions Team.

If no school in the local area has places available, the local authority will support you in finding a school place. The application may be referred to a local panel under the Fair Access Protocol (FAP) to identify a suitable school. If the child is already attending a school in the local area, no alternative place will be offered.

If you want to apply in year for a place at a school located in another Local Authority's area, please contact the In Year Admissions team for further information.

Parents will be able to obtain information about the process and copies of the IYAFs from www.kent.gov.uk/schooladmissions or from any Kent school. Enquiries can also be made by emailing kentinyearadmissions@kent.gov.uk.

26. Will I get help with transport to school?

Most Primary school children live within walking distance of their schools, however if the school is some distance from the home, parents can apply for transport assistance. The schools you select as preferences will have a huge impact on your likelihood of securing transport assistance, so please consider if you will need help in getting your child to school when selecting them. Parents should not wait, therefore, until the school place has been offered before considering how they will get their child to school.

In order to qualify, parents would have had to apply to their nearest appropriate schools on their child's admission application form to be considered for assistance and meet the following criteria:

- children under 8 years old who attend the nearest appropriate school for transport purposes to their home can get free travel between home and school if the school is more than two miles from their home;
- children over 8 years old who attend the nearest appropriate school for transport purposes to their home can get free travel between home and school if the school is more than three miles from

their home.

Appropriate in this instance relates to:

Age appropriate - attendance at a Primary or Secondary school;

Ability appropriate - attendance at a mainstream or special school.

The nearest appropriate school for transport purposes is the school that is closest to your home via the shortest available route and that is suitable for the child's age and ability when the above criteria are applied. This differs from the admissions process, which predominantly uses the straight-line distance between a child's home and school. KCC will identify any school that is considered suitable by the Department for Education to provide education for the child's age and ability. This includes all Academies, Free schools and faith schools, even if a family is not of the same faith. In some areas of the county, a child's nearest appropriate school may be located in another educational authority, outside of Kent.

When deciding which is the nearest appropriate school for transport purposes, KCC does not take into account parents preference for a particular type of school. This means that children will not automatically receive transport assistance to any school that may offer them a place. Where parents name schools outside of their local area, in most cases it will be their responsibility to ensure their children can access their preferred school.

Children aged over 8 years - low income families

Children who are entitled to free school meals or whose parents receive the maximum level of Working Tax Credit may be eligible for transport assistance. The criteria to qualify are that the child must attend their nearest school for transport purposes and live more than 2 miles from the school.

Proof of receipt of the maximum Working Tax Credit is asked for and this is usually the form TC602, which is sent to you by HM Revenue & Customs. For a child who is entitled to free school meals the proof will be a letter from KCC's Awards Department. Transport assistance will be reviewed annually and parents will be asked for up to date evidence of receipt of benefits.

Additional information can be found within the Home to School Transport booklet which can be obtained from Primary schools, from the Transport Eligibility Team at Sessions House or downloaded from www.kent.gov.uk/schooltransport.

Parents can apply online at www.kent.gov.uk/schooltransport

Vacant Seat Payment Scheme (VSPS)

Children who do not qualify for free transport because they live less than two/three miles from school or because they are not attending their nearest appropriate school for transport purposes can apply for a vacant seat on a hired school vehicle. The charge for this is £450 per year (subject to change).

We offer this scheme annually, so you must re-apply each year. There is no guarantee that the scheme will always be available and even if you are offered a seat when you apply, it may not be possible to offer a seat to you in subsequent years. Where seats are no longer available, parents will be given notice until the end of that academic year, after which they will have to make their own arrangements.

Parents should also note that these seats cannot be allocated until all entitled pupils have been processed and are issued on a first come, first served basis. This does mean it can take several weeks after the start of term before a pass is issued. During this time, parents are responsible for making their own travel arrangements.

School transport and the environment

Using some of the ideas explained below, parents and their children can help to tackle congestion on the school run and help to create a cleaner, greener, healthier school and community.

Walking to school

KCC enjoys a unique partnership with Medway Council and the Kent and Medway Charity Team in promoting and encouraging walking to school. The charity organises a range of activities to help the charitable sector with its fundraising and supports initiatives to promote health and wellbeing, particularly amongst Primary school children. The charity works in partnership with the KM Group, Kent's biggest media organization.

Parents can find information about Walking Buses and walk to school incentive scheme on the charities website at www.kmwalktoschool.co.uk.

Cycling to school

KCC is actively improving cycle routes across the county. Further information on cycle routes can be found on www.kent.gov.uk/cycling.

Kent travel plans

Kent schools have been very successful at producing Travel Plans to encourage sustainable travel to schools. You may wish to contact the headteacher of your school to find out about their actions for encouraging sustainable travel. You can also view the plan and other Safer Travel to School information via the Kent School Database.

Car sharing and buddy schemes

Parents can reduce the cost and time involved in the school run by sharing cars with friends and neighbours. For more information about sharing cars in Kent please visit liftshare.com/uk, or ask your chosen school if they can match you with parents travelling from the same area.

Responsible parking

Inconsiderate parking and maneuvering in the vicinity of school entrances can present a significant safety hazard. Parents should support their school, other road-users and local residents by avoiding parking on 'Keep Clear' markings and, where possible, park or drop off a safe distance from the school and encourage children to walk to the school gates.

KCC work with schools, Kent Police and Local Civil Enforcement teams to take action against inconsiderate and dangerous parking. For further information and access to our online toolkit and resources, please go to www.responsibleparking.co.uk

27. Other benefits

School meals

The Children and Families Act 2014 places a legal duty on state-funded schools in England, including Academies and Free schools, to offer a free school lunch to all pupils in Reception, year 1 and year 2.

A Primary school main meal will typically cost between £2.20- £2.60 (subject to change). However, this depends on the meal choices available. Free school meals are available for:

- children from families who receive Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)
- children from families who can prove that they receive Income Support, Income Based Job Seeker's Allowance or the guaranteed element of Pension Credit;

- children from families who receive Child Tax Credit, provided they do not receive Working Tax Credit and have an annual income (as assessed by HM Revenue and Customs) which does not exceed £16,385 (subject to change);
- the children of Asylum Seekers who are supported under part IV of the Immigration and Asylum Act 1999 and can provide appropriate documentation from the National Asylum Support Services.

For further information or advice, ring the contact centre **03000 412121** and ask them to put you through to your local Awards Team.

28. Can charges be made for school activities?

Charges cannot be made for the education provided during school hours. You may, however, be charged for the cost of materials for subjects such as craft or cookery if you want your child to bring the finished article home. You will also be charged if you take up the offer of individual music tuition at your child's school.

Many schools arrange activities such as swimming, theatre visits or excursions which take pupils away from the classroom during school hours. You will be told about these in advance and may be invited to make a voluntary contribution towards their cost. Although your child will not be left out because you do not make a contribution, the success of these activities depends on the willingness of parents to cover the costs.

Most activities which take place out of school hours are regarded as optional extras for which a charge may be made. Schools' individual prospectuses give the times when school begins and ends. For charging purposes, the lunch break is considered to fall outside school hours.

Full details of KCC's charging and remissions policies are available from schools. Copies may also be inspected at public libraries. The charging and remission policies adopted by individual Governing Bodies should be explained in the individual school prospectus.

29. If your child has a disability

Some children may have a disability within the meaning of the Equality Act 2010. It is unlawful for a school in relation to certain activities to treat a disabled child less favourably than a non-disabled child, without justification. The activities where a school must take care not to discriminate unfairly concern admissions, exclusions, and the provision of education and related services.

A school must make reasonable adjustments to ensure that it does not treat a disabled child less favourably although reasonable adjustments do not extend to physical adaptations or the provision of equipment. A school is able to justify its actions where it can demonstrate that the adjustments required are unreasonable.

A disability is defined as a physical or mental impairment that has a substantial and long term adverse effect on the person's ability to carry out day to day activities.

There will be some children who have Statements of SEN or Education Health and Care Plans (EHCP) who do not fit this definition but, equally, there will be children who do not have Statements of SEN or EHCP who are considered to have a disability.

If you think that your child has been discriminated against on the grounds of a disability in relation to the arrangements made for his or her admission, you may have a right of appeal. Advice is provided at www.gov.uk.

Other admissions information

We understand from latest medical advice that children with cystic fibrosis should avoid direct contact and not share classrooms or communal areas, due to the increased risk of cross infection from one child with cystic fibrosis to another cystic fibrosis child. Consequently prospective parents of children with cystic fibrosis are advised to discuss this with their preferred schools. Smaller schools may find it difficult to provide the segregation that is required and may therefore adopt a policy of having only one child with cystic fibrosis on roll, or in close years, in order to ensure adequate separation is maintained. For further advice, in the first instance please contact your local Cystic Fibrosis Nurse Specialist or Team.

30. Additional information

Private fostering

A privately fostered child is a child under 16 (or 18 if disabled) who is cared for by an adult who is not a parent, grandparent, aunt, uncle, step parent (including civil partnerships), sister or brother where the child is to be cared for in that person's home for 28 days or more.

A private foster carer is someone who cares for another person's child in their own home such as:

- extended family members (great-aunts, great-uncles, cousins);
- someone who is called 'aunt' or 'uncle' but is not related to the child;
- a friend of the family;
- someone who is not married to the child's mother or father but is a partner or ex-partner.

There are many reasons for a child being privately fostered. It may be because:

- a parent is ill;
- a parent is in prison;
- a parent is going abroad;
- the relationship between the parent and young person has broken down;
- family crisis or bereavement;
- parent might be studying or working long hours;
- a child has come from another country to study English privately or at a language school.

The law requires anybody who is privately fostering a child, or who is intending to do so, to notify social services.

If you are already caring for a child under a private fostering arrangement you must notify social services immediately.

Social services have a legal duty to make sure that the welfare of all privately fostered children is safeguarded and promoted and that they are living in safe and suitable surroundings.

Social services give advice to parents, private foster carers and any child who is being privately fostered. Please contact Specialist Children's Services on **03000 41 11 11** and ask to speak to someone about a private fostering arrangement if you need to advise about a proposed private fostering arrangement or need some advice or guidance.

Primary School Public Health and Immunisation Service

Local teams led by Public health school nurses work with schools, parents and other services to improve the general health and wellbeing of all primary aged school children and their families. The teams provide advice, support and help with a variety of health issues including; daytime and night time wetting and soiling, behaviour management, healthy eating and lifestyle, emotional health and wellbeing, puberty and growing up, stopping smoking, drug and alcohol misuse, sleep and complex health needs.

We also undertake the National Child Measurement Programme, vision and hearing checks. Parents with a child/ren starting school or in reception class will also receive an online Health Assessment to complete, to make sure that their child/ren receive any support they need as soon as possible.

We work with children, young people and families in Kent. You do not have to be in school to use this service.

More information on our service can be found from visiting our website

www.kentyouthhealth.nhs.uk. Telephone number: **0800 123 5205**

Email: nem-trkentchildrenandyoungpeoplehealthservices@nhs.net

Childhood Flu Programme: every child in Primary School will be offered the nasal flu vaccination. This will take place between October and December. You will receive a letter to consent for your child to receive this vaccination.

Telephone number: **0300 123 5205**

Email: kchft.cyp-immunisationteam@nhs.net

31. Your guide to Data Protection

The General Data Protection Regulation (GDPR) gives rights to you, our customers, about how your personal information is obtained and used by KCC. GDPR also places obligations on KCC.

This guide informs you of your rights under GDPR and details how we handle your personal information. Parents can find KCC's Admissions Privacy Notice at www.kent.gov.uk/privacy

What information do we hold and how do we obtain it?

Generally, we receive information about you from one or more of the following sources:

- the Primary school your child attends;
- KCC Admission Application Forms you complete and send to us.

We will hold your child's name, date of birth, school and address history and any information you provide us to apply under a preferred school's over-subscription criteria (eg sibling name, church attendance, FSM status etc).

We will also hold the applying parent's name and address. This information will be added to your child's central education electronic record, which will be kept until your child's 25th birthday.

For what purpose do we use your information?

We use your information for one of a number of purposes, which are outlined below:

- the information will be used to allocate your child a place at a school under the School's Admissions Code 2021;
- identifying information will be passed to schools and possibly the Department of Education and other officers in the County Council for the purposes of strategic planning and policy development.

Caring for your information

We undertake that we will have in place a level of security appropriate to the nature of the information and the harm that might result from a breach of security. This means we will look after your personal information properly.

We further undertake that we will:

- not hold information about you that is excessive in relation to the purpose for which it is processed;
- keep any information about you accurate and where necessary up-to-date. To help us to do this, please keep us informed if any of your details change;
- not keep information processed for any purpose or purposes longer than necessary;
- process your information in accordance with your rights under GDPR;
- not share your information with other people unless it is required by law or with your consent.

Your rights

The General Data Protection Regulations controls how your personal information is used by organisations, businesses or the government.

Under this legislation you have the right to:

- access any personal data held about you;
- have inaccurate information about you corrected;
- to be forgotten (erasure);
- restrict processing;
- object to processing;
- stop automated decision making;
- data portability.

You can exercise any of these rights by:

- emailing dataprotection@kent.gov.uk;
- writing to the Information Resilience and Transparency Team, Kent County Council, Room 2.87, Sessions House, County Hall, Maidstone, ME14 1XQ.

Before we can continue with your request, you'll need to provide:

- proof of your identity;
- proof of your current address.

If you have asked for a copy of any personal information we hold about you, you may have to pay a fee for the administrative costs of providing you with this information.

We will tell you if you need to pay us anything and we reserve the right to waive any fees. We will respond to you within one month of receiving your written request although we can extend this to three months if your request is complex.

The time period starts from when we receive sufficient information plus proof that you are who you say you are to progress your request, so please be as specific as possible in your written request. We will contact you if we need more information.

General information about GDPR and your rights can be found on the information Commissioners website at the following link www.ico.org.uk

Junior schools

How to apply for your child to start at a Junior school in Year 3

When you know which schools you are interested in, you will need to make a Junior Common Application (JCAF), you need to apply either using the online process available at www.kent.gov.uk/ola or by contacting kentonlineadmissions@kent.gov.uk for an alternative method. You should complete the application by naming up to three Junior schools; putting them in order of preference with the one you would like most as first.

Only one application can be accepted per child and this application can be made by either a parent or guardian with parental responsibility for the child. If more than one application is received for a child, parents/guardians will be contacted and asked to agree in writing which application should be used. Where both parents retain parental responsibility for the child, it is not the role of the Local Authority to decide which application to use.

Where agreement cannot be reached, both applications will be withdrawn and the child will not be offered a place on **Wednesday 16 April 2025**.

Where a Court proceeding is sought to decide which parent's application should be used, the Admissions Team will require a full copy of any Court Order before any application will be accepted. Parents should be mindful of key deadlines when taking this approach as no extensions will be granted for any delays that may arise.

Applications for Children in Care should be made by the assigned Social Worker of the Local Authority that is the Corporate Parent.

Even if you already have an older child at the Junior school or another child at the linked Infant school, you **MUST** apply for a place for your younger child. You will not automatically receive a place because you already have a sibling there.

When schools rank the children, they will not know if you have named their school 1st, 2nd or 3rd, they will simply rank the child against their over-subscription criteria. Naming only one preference does **NOT** guarantee your child a place at that school or give your child priority for a place over another child,

neither does naming a school more than once. If you name a school multiple times, the duplicates will be deleted from your form and you will have lost the opportunity of naming different preferences.

There is no requirement to name three preferences but failing to do so increases the likelihood of the local authority making an offer of a school some distance from your home, where local schools have been filled with children that used their full range of preferences.

DO NOT name any Primary schools on your JCAF as the form is only used to apply for a Junior school. If you name a Primary school, this will be deleted from your form and you will have lost the opportunity of naming a preference.

Please note that if your child already attends a Primary school and you wish to move your child to a Junior school, your application will be dealt with as with any other applicant, but we will not offer an alternative Junior school place if we cannot meet your preferences.

If you do not wish your child to go to a Junior school and would rather apply for a Year 3 place at a Primary school, you must download an In Year Admissions Form at <https://www.kent.gov.uk/education-and-children/schools/school-places/move-to-a-different-school> or contact your preferred school to request one. Children who attend Primary school do so from the age of 4, so any admission into Year 3 would be considered as outside the normal point of entry to the school. This reduces your chances of gaining a place at a Primary school, as the majority, if not all of the Year 3 places will be taken by the Year 2 classes progressing through the school.

A list of Kent Junior schools can be found on [page 104](#).

When applying online for school places, you will have to register with the website and create a user account, selecting your own password. The website will ask you to verify your account by clicking on the link provided in the email sent to the email address used to set up the account. This email is not an application.

Once registered, you can then make an application for school places either straight away or by logging back in at a later time, provided it is before the closing date.

An application is only valid if it has been submitted by the closing date (**Wednesday 15 January 2025**).

Once you have submitted your application, you will be sent an email confirming that we have received it. Please check your spam/ junk mail folders for this email before contacting the online team for confirmation.

If the application has not been submitted by a parent/ guardian, KCC will be unable to process it.

KCC will not take any responsibility in checking the content of an application.

It is the parents' /guardian's responsibility to ensure that:

- they are selecting the correct Junior school for each preference;
- the application states if the child will have a sibling in the school or the linked school in September 2025 and must provide the sibling's full name and date of birth;
- they send any evidence to the relevant school if they want priority under health and special access reasons (if applicable);
- they complete and return any Supplementary Information Form to the relevant school (see below).

Please contact the Admissions team if your circumstances change significantly or you wish to change your application after it has been submitted.

The closing date for applications is **Wednesday 15 January 2025**.

If you require any help or assistance in applying online, contact the Online Admissions Team via email

kentonlineadmissions@kent.gov.uk (emails will be replied to during work hours of 9am-5pm).

If any of the schools you have expressed a preference for is an Academy, Voluntary Aided, Foundation or Free school you may also be asked to complete another form called a Supplementary Information Form (SIF). This form is used by the schools to rank your child against their over-subscription criteria. You only need to fill in a SIF if you wish for your child to be considered against the over-subscription criteria the school is collecting information about.

Schools that may require a SIF will be identified in the school details pages. You should return this form to the school and not to KCC.

The SIF can be obtained from the school and its website or by going to the 'Admission criteria 2025/26' section at www.kent.gov.uk/admissionscriteria if the school has provided us with a copy.

The SIF is not the official KCC application form and you must still complete a JCAF naming the school otherwise your child will not be considered for a place at that school.

Junior schools in Kent

Children attending linked Infant schools are given priority when applying for the linked Junior school

Linked schools

DFE no.	Infant school	Linked with	DFE no.	Junior school
2514	Brookfield Infant School		5223	Brookfield Junior School

Glossary

(Explanation of terms used)

Term	Definition
Academy	An academy is a school which receives their funding direct from central government. The academy trust is responsible for setting the admission criteria and making admissions decisions.
Admission authority	The body that decides upon and applies the admission arrangements for a school. In relation to a Community or Voluntary Controlled school means the LA and, in relation to a Foundation or Voluntary Aided school and Academy, means the governing body of that school.
Admission arrangements	The arrangements for a particular school or schools which govern the procedures and decision making for the purposes of admitting pupils to the school. Sometimes also referred to as an Admissions Policy.
Admission criteria	The set of rules which a school uses to place children into priority order, or rank, if it receives more requests for places than it has spaces available.
Appeal Panel	This is the independent panel which hears appeals relating to school admissions.
Coordinated Scheme	The process used by a Local Authority to ensure the distribution of offers of places for schools in their area during the normal admission round.
Community School	These schools are run and funded fully by the Local Authority, who determine their admission arrangements and make admissions decisions.
DfE Number	The unique identification number assigned to an individual school by the Department for Education. This number helps to avoid confusion between schools with a similar name.
EHCP	Education, Health & Care Plans (formally Statement of Special Educational Need) is a formally recognised assessment of a child's educational needs and can name a school as suitable to provide education for that child.
Foundation school	Foundation schools are funded by central government via the Local Authority but the governing body is responsible for the admission arrangements.
Free School	A type of academy which is an all-ability, state-funded school set up in response to what local people say they want and need in order to improve education for their children. Free schools are run by their own governing body.
LA	A Local Authority.
Local Authority	Kent County Council (KCC).
Local Authority area	The area in respect of which Kent County Council is the Local Authority.
Infant School	Educates children from Year R to Year 2 (4 years old - 7 years old).
IYAF	In Year Admission Form - this is the form used by parents to apply for a school place outside of a school's normal point of entry.

Term	Definition
JCAF	Junior Common Application Form, completed online.
Junior School	Educates children from Year 3 to Year 6 (7 years old - 11 years old).
Last distance offered	The distance that the lowest ranked child offered a place at the school lived from the school in miles.
Local Authority allocation	If none of the parent's preferred schools can offer a school place the LA will allocate a child a school place. This will usually be at the nearest school to the home address which still has remaining places available after all other applications have been considered.
Local Authority (LA) Number	The unique identification number assigned to each individual local authority. Kent County Council is 886.
National Offer Day (Wednesday 16 April 2025)	The date you will find out the result of your application if you applied online or your offer letter will be sent if you applied using a paper application form.
Normal admission round	The period in which parents may apply for a school place for the first point of entry to a school in the following academic year.
Oversubscribed	A school is oversubscribed when it has more applications than it has places available.
Preferences	Parents are able to name up to three schools they would like their child to attend. However there is no guarantee that a place will be available if any, or all, of the preferred schools are oversubscribed.
Published Admission Number (PAN)	This is the number of places available in each year group at a school and is based on the available usable space in the school.
RCAF	Reception Common Application Form, completed online.
SIF	Supplementary Information Form - This is a form used by some schools which may be used by them to collect additional information at the time of application in order for them to apply their over subscription criteria. They are most commonly used by Faith Schools to collect details in relation to a level of commitment to Faith which can be a factor in the priority given.
Summer born	A child born between 1st April and 31st August.
Reallocation	The period in which parents, who were not offered a place in the normal admission round at their preferred school may join the waiting list for entry to a school, and those who have missed the original deadline for applications may be considered for places.
Reallocation Day	The date a letter will be sent to advise parents if they have been successful in securing a place at a school from the waiting list or as a result of a reallocation application.
Voluntary Aided school	These schools are church schools, and governors must have regard to the relevant diocesan board when setting admissions arrangements.
Voluntary Controlled school	Voluntary Controlled schools are run by the Local Authority which sets their admissions criteria and makes admissions decisions.
