Dear [Redacted]

RE: A28 Sturry Link Road – CPO and SRO

I have seen a copy of your letter to the National Casework Team dated 16 September (received by them on 23 September).

You ask about details of the Inquiry web site and documents are on KCC's Sturry Link Road web site and the link is <https://www.kent.gov.uk/roads-and-travel/road-projects/planned-road-projects/sturry-link-road#tab-4>

The 'tab 4' reference is the Land acquisition section on the opening page of the Sturry Link Road web page.

Yours sincerely

John Farmer
