NEWLANDS PRIMARY SCHOOL

ADMISSIONS POLICY SEPTEMBER 2026 ENTRY

Arrangements for applications for places in Reception at Newlands Primary School will be made in accordance with Kent's co-ordinated admission arrangements; parents resident in Kent can apply online [here](#); parents resident in other areas must apply through their home local authority. Newlands Primary School will use Kent's timetable published online for these applications and Kent will make the offers of places as required by the School Admissions Code.

Published Admission Number (PAN)

Newlands Primary School admits 30 pupils into Reception. If there are fewer applicants than places available all applicants will be admitted. Children are admitted to the Reception Class in the school year in which they have their fifth birthday.

Special Educational Needs

Any child with an Education, Health and Care Plan that names the academy will be admitted. As a result of this, the PAN will be reduced accordingly.

Oversubscription Criteria

If there are more applications than places available we will apply the oversubscription criteria listed below:

1. Looked after children and previously looked after children. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to the school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Previously looked after children also includes those who have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with brothers or sisters attending Newlands Primary School at the time of entry. Brother or sister means children who live as a brother or sister in the same house, including natural brothers and sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
3. Children with medical or social needs which make the school particularly suitable for the child. Priority will be given to those children or their parent(s)/carer(s) whose mental or physical impairment, medical needs or social needs means they have a demonstrable and significant need to attend Newlands Primary School. Applications for priority in this criterion will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between the applicant's (or their parent/carers') needs and Newlands Primary School.

4. Distance. - we use the distance between the child's permanent home address (defined in KCC's annual admissions prospectus) and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school. Where applications are made from properties or abodes that are not registered to the NLPG, including new build properties, KCC may be required to use planning sites or other relevant co-ordinates. In exceptional circumstances where alternative co-ordinates are not available, measurements will be determined by a Senior Admissions Officer and confirmed by Head of Service.

Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of school nights Monday–Friday.

Tie-break

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then random allocation will be used. This process will be supervised by somebody independent of the school.

Multiple Births

In the case of twins or other multiple births, where there is only one place available in the school, both will be considered together as one application. The school will be allowed to go above its admission number for this purpose.

Fraudulent or Misleading Applications

As an admission authority we have the right to investigate any concerns we may have about your fraudulent claim or provided misleading information, for example a false address was given which denied a place to a child with a stronger claim. We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.

Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable children are offered a place at a suitable school as quickly as possible. The school will comply with Kent's Fair Access Protocol. This may mean admitting children above the PAN.

Deferred entry for Reception places

In accordance with the requirements of the Admissions Code, if your child has been offered a place: -

- a) your child is entitled to a full-time place in the September following their fourth birthday;
- b) you can defer the date your child is admitted to the school until later in the school year but not beyond the point at which your child reaches compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and
- c) if you wish, your child may attend part-time until later in the school year but not beyond the point at which your child reaches compulsory school age.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so, they should include a written request with their application, setting out the year group in which they wish their child

to be allocated a place and the reasons for their request. It is important for parents to note that they will have responsibility for providing evidence to support their request. When such a request is made, Newlands Primary School will make a decision on the basis of the circumstances of the case, based on their professional judgement of what is in the best interest of the child, taking account of the evidence and rationale provided by the parents.

In-year admissions

Newlands Primary School coordinates its own in-year admissions and parents should contact the school office for an application form. Parents will be notified of the outcome of their application within 15 school days and details about the right to appeal will be provided if a place cannot be offered.

Waiting List

Any applicant refused a place at the school will have to opt to join the waiting list, even if a higher preference school has been offered. A waiting list will be maintained until the 31st which it will be cleared. If you would like your child to be placed on the waiting list for the remainder of the academic year, please contact the school.

Appeals

The parents of any child refused a place at the school have a right to appeal to an independent appeal panel. The decision of the independent appeal panel is binding on all parties.
