Lloyd,

Further to discussion on Stonecastle, please see below statement with respect to the status of the site:

*Stonecastle Quarry is a site with a proven, viable and permitted mineral reserve and it remains an important part of Tarmac's southern portfolio of aggregates sites.*

*We continually review our options for serving our markets and should favourable market conditions return we are fully committed to opening up the site again.*

Best regards,

Ian

**Ian Brewer**
